

REMARKS

Claims 5 and 7 through 11 remain pending in the application. Claim 5 is the only independent claim present in the application. All claims heretofore on file in the application have been allowed. No additional claims are presented

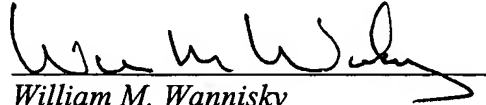

Claims 5 and 8 have been amended to improve their form by correcting readily apparent typographical errors. It is respectfully submitted that no new matter has been added.

It was only recently recognized that the form of Claims 5 and 8 could be improved. Given the Examiner's familiarity with the present application, and since no additional claims are presented, it is respectfully submitted that full consideration of this Amendment After Allowance will not require any additional search, more than a cursory review of the record, or any materially-added work on the part of the Office. See Manual of Patent Examining Procedure § 714.16, pages 700-229 and 700-230 (Rev. 2, May 2004).

Favorable consideration and entry hereof are earnestly solicited.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our New York office at the address shown below.

Respectfully submitted,
